	Algoma District Catholic District School Board

The new facility will accommodate 1450 students per OME standard pupil loading. It has been designed with enhanced athletic facilities and a Performing Arts Theatre. The building design uses the sloping topography to its full advantage by creating a "walk-out design" at two levels. The main entrance level provides a spectacular light-filled lobby overlooking the commons and lounge areas below and dramatic views to the athletic fields and landscape at the east side of the site. The 'Super Commons' concept includes
